**RE: PetroGuard Anti-Corrosion Tape System for Low Temperature
Climates including PetroGuard Tape LT, PetroGuard Standard
Primer Paste and PetroGuard Mastic**

A comprehensive investigation of the above mentioned product by the Roads, Watermains & Sewers Sub-Committee (PRC) of the Regional Infrastructure Standardization Committee was held on April 9, 2014.

Based on this review, the **PetroGuard Anti-Corrosion Tape System for Low Temperature Climates including PetroGuard Tape LT, PetroGuard Standard Primer Paste and PetroGuard Mastic** have been accepted for inclusion in the 2014 Approved Manufacturers' Products List for Water Systems.

Please be advised, that for your companies product to remain on the Region of Durham's "Approved Manufacturers' Products List", the manufacturer and product are required to be registered with "The Road Authority," and must have been given "Accepted for Use" classification by OPS PMC.

Should you have any further questions in this matter, please do not hesitate to contact the undersigned at (905) 668-7711.

Yours truly,

A handwritten signature in black ink, appearing to read 'Dale Clemens'.

Dale Clemens.
